## HONDA *of Covington.com*

While Honda of Covington's dedication to its customers is common knowledge, Kids Wanna Help® knows first hand how dedicated Honda of Covington is to the community. As a Platinum Sponsor of the Lemonade Brigade™, Honda of Covington and dealership owner Laurie McCants have enabled kids in our community to get business-owner training and all of the supplies they need to run professional and profitable lemonade stands where all of the proceeds are donated to charity.

This year, Honda of Covington has gone a step further. By loaning a new hybrid Insight to Kids Wanna Help®, Honda of Covington has provided very cost-effective summer transportation. Stacy Brown is the Kids Wanna Help® chauffeur who is immensely enjoying driving the Honda Insight and the great mileage it gets. But saving money is not the only benefit of the Insight. It's a sporty car that handles

well, has a GPS with all the bells and whistles, lots of room for lemonade stand supplies—and a definite “cool” factor!
